CONFERENCE ACCOMMODATION RECOMMENDATION& INSTRUCTIONS

Dear Faculty Advisors and Delegates,

Harvard Model United Nations China 2012 will be held in the Beijing International Convention Center. As in previous years, delegates and faculty advisors will be responsible for reserving their own accommodation during the conferences. To assist you in this process, we have included gathered information for several hotel options close to the conference venue. This information is included on the following pages.

The hotels recommended in this document are the closest to the conference venue. However, hotels in Beijing will be in high demand next March. In order to ensure accommodation at a reasonable price, we advise that you make your reservations as far in advance as possible. If you choose to wait to make your reservation, our organizing committee cannot guarantee that the necessary number of rooms will be available at the rates listed here.

If you wish to select a hotel that is not listed here, we recommend using the following websites to find a suitable hotel:

www.ctrip.com
www.elong.com

During the conference, delegates will need to arrive to their committee rooms by 8:30. They will end committee session and be able to return to hotels at approximately, 23:00 at night every day. Since the committee sessions and conferences activities will end at such late hours, we strongly suggest you choose a nearby hotel with reliable security.

Hotel Reservation Tips:

1. Please reserve rooms in groups (for example, by school or delegation). Single reservations will not likely receive the lowest available prices.
2. Please note when reserving:
 - a) Please provide your school's name, occupant information (please indicate whether teacher or student), contact information, and reservation number (how many rooms).
 - b) Please determine the payment procedure and total amount in advance (including advance payments and deposits).
 - c) Please ask in advance which type of identification is required and if there are any relevant or special rules.
3. We suggest you make your reservation before February 1st. If not, the hotels may not be able to fully accommodate your delegation.
4. The organizing committee will not provide any reservation service. Please contact the hotel directly to make your reservation.

Hotel Reservation and Check-In Notes:

1. Some hotels require prepayment or a deposit to guarantee room reservation.
2. Please remember to bring the proper documents and funds with you.
3. Please take note of the hotel's checkout time and check out of your rooms by the deadline. We will not offer luggage-hosting services.

Thank you for your interest in HMUN China 2012!

We look forward to meeting you and your delegation in March. We wish you a happy stay in Beijing!
